Did you Know?

Replacement Kits

Autocraft Interiors manufactures a full assortment of Replacement Interiors. These interiors are available in Leather, Vinyl and Cloth. Many late model and classic replacement patterns are available! Inquire for latest application book and samples.

Bomber/Cobra Seating

Autocraft Interiors also manufacture it's own line of Cobra/Bomber seating. These all aluminum frames are available in Leather or Vinyl. Lightweight and durable, great for Hot Rods and Customs.

Neopreme Seat Covers

We manufacture 100% Neopreme covers in two different styles. These are available custom fit for a wide range of applications. Our covers are designed to work with side air bags and many new and late model applications.

Contract Cutting & Sewing

With our Gerber electronic cutting capabilities and production sewing. We are able to handle most types of contract work. If you have a project that may require help, give us a call.

Thanks, and don't forget we still make a full line of custom seat covers!
